Santoni Electric Co. Pvt. Ltd. was conceptualized way back in 1980 with the idea of being pro-active towards pollution control and energy efficient solutions. Today, it is an ISO 9001:2008 certified company.

After years of serving the Indian cleaning equipment market, **SANTONI** introduces the **Prima Range of Machines**. These are built to provide the best ratio of cost to cleanliness. This brand is specifically developed to provide simple & quick mechanised cleaning solutions for the most efficient organisations and individuals. It covers all the essential requirements of the cleanliness conscious buyer.
